## Welcome New Members

by Betty Clark, Vice-Chairperson

Join me in welcoming our newest community members from Men's Walk #54. The Spring Walks have just finished, but don't think that we can become dormant until time for the Fall Walks. Is God calling you to serve on an upcoming Walk? We need to step up and obey His voice. Sometimes He may ask us to do something outside of our comfort zone, but don't worry. Hebrews 13:21 tells us that God will "equip you with everything good for doing his will".

He may be asking you to serve in the conference room or on the agape or logistics team for the weekend. He may be calling you to sponsor a pilgrim, send agape, provide food for the snack table or to volunteer for the 72 hour prayer vigil.

Each of us has different gifts and talents. It takes all of us using those gifts to put a Walk together. We can't do it alone. We need to work together to serve the pilgrims and for God's glory.

One way to learn about how a Walk comes together is by attending Education Day. The next Education Day will be held Saturday, May 4 at 9:00 am until around noon at Smith Chapel UMC. (A map and directions follows.) You will hear how the conference room teams are put together,

Take the SR 328 exit from US 33, turn north onto Maysville Williams Rd turn right onto Smith Chapel Road.

the duties of the agape and logistics teams on the weekend and the many ways that you can volunteer to serve. You will also hear how the Emmaus Board is structured and the job descriptions of the committees. You will hear information on Chrysalis Flights (the teen version of Emmaus). Education Day also includes a

Sponsorship class, which is required before you are able to sponsor a pilgrim without a co-sponsor.

Mark your calendars to attend Education Day. Begin praying now for the Lay Directors for the Fall Walks as team formation is beginning and for those pilgrims that will be attending. Be that light shining to share God's love to everyone.

## When Does Sponsorship End?

by Larry Moneypenny, Sponsorship Chair

The walk is wrapping up, and you are faithfully waiting on your pilgrim to come into the closing service. Here they come, your pilgrim even elects to step to the microphone and answer those two questions. After the tears subside and God's Meal has been received we all adjourn to do what Emmaus always does when we meet, we eat.

After the meal it's time to take your pilgrim home, first stop and pick-up their bag and packet then load in the car and we start driving. This is where sponsorship can get dicey. Let the pilgrim talk, let them voice their feelings good or not so good but just listen, answer questions but don't compare your time on a walk with theirs at this time. When you arrive at their home help them carry their things into the house, if you live with them continue to listen and as the days pass try to keep their walk alive. If you're just dropping them, then wish them well and go on your way. Call them over the next few days, send them a card or letter, and again try to keep their walk alive. Invite them to and bring them to the next gathering, help them find a reunion group or small group even possibly invite them to visit yours.

Keep your pilgrims alive in your prayers and wishes and stay in touch as much as possible, encourage them to attend an education day so they can sponsor someone and then help through all the steps of sponsorship as they sponsor for the first time. Each time you stay in touch with and help a person you sponsored you will be blessed. If someone you sponsored decides to work in some way on another walk remember to give them some agape to encourage and praise them for their servant hood.

Sponsoring a pilgrim doesn't end once we drop the new community member off after the walk, they can use our help and friendship always and believe me they will always remember who sponsored them. After all we are giving one of best gifts we can give, we are sponsoring someone that will draw closer to the Lord.

If you have any questions on sponsorship please contact me using the information found in the back of this newsletter.

## What Can I do?

Thursday will soon be here! There are currently 20 pilgrims for the Men's Walk. I hope you all can attend either send-off, candlelight or closing or of course all three. Please keep the teams, the pilgrims and their families in your prayers. Also, food agape for the tables outside the conference room is always appreciated.

Remember the Gathering is April 28th as well. Thank you all for your servant hearts. God Bless you this week and always.

## Prayer

Christians, This Thursday to Sunday--as we all well know--a wonderful event is going to take place at Camp Akita. Abundant blessings will fill those 72 hours. One of those will be when the Pilgrims make their way over to see the Prayer Vigil poster board with the 144 names written on it. There's still time to sign up--please go to [www.3dayol.org/Vigil](http://www.3dayol.org/Vigil). Direct link: <http://www.3dayol.org/Vigil/GetVigil.phtml?pvid=7832&commid=1473> Thanks for all you do
